Koschitz: I have always been interested in psychology and the stage; consequently, But since those were times when dissimulation was permitted, and every individual who abstained from smoking was exposed to harassment, abuse and even death-the friends, in order not to

advertise their beliefs, would smoke. He politely offered to buy another meal for the old couple to eat. In an essay about phony memoirs that I wrote a few years ago, I argued that great anger expressed against authors and publishers when traditionally published memoirs turn out to be phony was a kind of cultural displacement: what has made us all anxious about truth and accuracy in personal narrative is not so much the published memoirs that turn out to be false or exaggerated, which has often been the case, historically, but rather the unprecedented explosion of personal writing and inaccuracy and falsehood online, in Web sites and blogs and anonymous commentary-forums where there are no editors
