Sound Exchange is already doing, I assume, most of the financial part so perhaps they could be persuaded to be the overseer. The response that we must have is, as far as possible, to promote the democratisation of knowledge and therefore do our best to distribute the education material produced in different formats that are accessible to all: from open access journals, to Facebook and other mechanisms of social media. I don't think Edd has been around the block enough times to know that it's hopeless to expect that to

happen. Zip Code Please enter zip code or country for
