## **I Wandered Lonely As A Cloud: Fully Illustrated**

We turned Biella, this town clinging desperately to the foothills of the Alps between Turin and Milan, and in a state of angst in the wake of the disappearance of a source of prosperity now deemed inevitable, into a sandpit of social innovation: football matches between entrepreneurs and factory workers tied together with five meters of fabric in twos, running up and down the pitch like in a Werner Herzog film and then hugging one another after really understanding for the first time what they had always known, but what nobody had been able to put into words 3. Progression of sleep states across a single night in young adult.
