The Variables That Determine Our Romantic Relationships

The past few nights I had awoken to the sounds of helicopters, and I thought I imagined there to be voices reverberating through the space. Hence we are held responsible only for our own actions, expected to do for ourselves, provided special standing to plead our own case of mistreatment, and accorded great discretion in our own individual sphere, to do as we like.

Self-Portrait in the Dark (Picador Poetry)

His partnership with God also entitled him to bear the same title: "For he was named god and the king of the whole nation, and entered into the darkness where God was, that is, into the unseen, invisible, incorporeal, and archetypal essence of existing things.
