The only downside, the age cutoff is 23 and if you are not in good health, you don't get on the ships.

## **MEET SANDY GULL**

In the climate of Cold War ideological polarization, it was difficult for human rights organizations to assume an apolitical position, necessary for the effectiveness of its work, if it chose to question the bases of the competing political systems. This means that an uninsured woman could get her screening through one program, her colposcopy and diagnostic services through another, and her cervical cancer treatment through a third, assuming she meets the eligibility criteria for all of .
